About APF

Transforming the Culture of Giving is our Passion

African Philanthropy Forum (APF) is a strong and vibrant community of partners who through their strategic giving, investments and influence, foster shared prosperity on the African Continent. APF was established and incubated by Global Philanthropy Forum (GPF) from 2014 - 2016. In 2017, APF became an independent entity registered in Nigeria and South Africa and continues to be an affiliate of

It was established to bring together a diverse range of African givers who are united by their passion and commitment to see inclusive and sustainable development throughout Africa. APF equips its community of strategic philanthropists and social investors through educational programs and matchmaking services, to inform and enhance the development impact of their giving and investing. Since inception, APF has reached approximately 2,500 stakeholders in the philanthropic space across Africa and the world; thereby facilitating collaborations, amplifying the work of change makers and sharing best practices and strategies for promoting homegrown development.
